

# CMMI<sup>®</sup> Institute Partner

## DMM Specialization

### Definitions

"**Certified Individual**" means a person who (i) has earned a certification credentials by successfully completing the applicable CMMI Institute certification process, (ii) has met all ongoing requirements to maintain such certification, including the payment of any and all fees due for such certification, and (iii) is sponsored by a CMMI Institute Partner for the DMM specialization.

### DMM Services and Materials

The Partner may alter the materials for DMM only to make minor grammatical corrections or to change spelling to accommodate regional style (such as changing "center" to "centre"). Except for such minor grammatical corrections and regional style accommodations, no other changes are allowed without prior written consent from the CMMI Institute.

### Materials and Use Restrictions

<b>DMM Specialization Materials</b>	<b>Materials may be copied and distributed</b>
Workshop Materials	Hard copy only
DMM Workshop Assessment Method	No
Templates	No

### Data Submission Requirements

Partners must follow the DMM Data Submission procedures provided in the download files on the Partner Resource Center at <https://prc.cmmiinstitute.com>.

### Quality Assurance

CMMI Institute may perform random reviews of Partner-delivered services at the discretion of the CMMI Institute.

CMMI Institute may provide an action and mitigation plan for CMMI Institute-Certified Individuals. If the action and mitigation plan indicates that an additional CMMI Institute simulation is required, the Partner is responsible for any expenses incurred by CMMI Institute performing such simulation.

## Become a CMMI Institute Partner for Data Management Maturity<sup>SM</sup>

As a Partner for Data Management Maturity, your organization will become a leader in delivering official Data Management Maturity Assessments for your organization or for your clients. Sanctioned DMM Assessments may only be delivered by a certified Enterprise Data Management Expert (EDME) who is sponsored by a CMMI Institute Partner organization.

When your organization becomes a DMM licensed Partner of CMMI Institute, you will immediately receive the following benefits:

- Listing in the CMMI Institute Partner Directory (<http://partners.cmmiinstitute.com/find-partner-organization/>)
- Partner communications from the CMMI Institute including a monthly e-newsletter, quarterly webinars, and access to the annual Partner Workshop
- Discounts on conference registrations and event sponsorship/exhibit packages
- Ability to provide input directly to CMMI Institute regarding model evolution and derivative products through various channels, including our private LinkedIn group and focused work groups
- On-demand access to the Partner Resource Center, including the Next Generation Project Information Portal
- Ability to sponsor certified individuals who deliver DMM services

The process for becoming a Partner organization, and for earning the EDME certification are listed below, with corresponding costs for each step.

Partnership Activity	Cost
<b>Apply to be a CMMI Institute Partner with our online form:</b> <a href="http://partners.cmmiinstitute.com/partner-application/">http://partners.cmmiinstitute.com/partner-application/</a>	\$500 application fee (one-time fee)
<b>Maintaining your organization's CMMI Institute Partnership</b> (enables you to maintain all benefits listed under Immediately Receive above as well as the ability to sponsor an Enterprise Data Management Expert)	\$1,000 Partner web services fee (billed annually starting with year one)
<b>Becoming a certified Enterprise Data Management Expert (EDME)</b> <i>Certified EDMes are equipped to lead internal Data Management Programs and to perform DMM Assessments either for their company or as a service for external clients. After achieving their certification, EDMes must complete renewal activities, pay an annual support fee, and pay a fee for each DMM Assessment they perform.</i>	
<b>Complete a Building Enterprise Data Management Course</b>	\$3,000 in person training course \$750 eLearning training course
<b>Complete the Mastering Enterprise Data Management Capabilities Course</b>	\$5,000 in person training course
<b>Complete the Enterprise Data Management Expert Course</b>	\$7,500 in person training course
<b>Complete a DMM Assessment with Observation by a CMMI Institute DMM Observer</b> <i>The length of observation will vary, but the average length is 7-10 days.</i>	\$2,250 per day plus travel expenses
<b>Maintaining your EDME certification</b>	\$5,000 Support fee per year
<b>DMM Assessment Use Fee</b>	\$500 per assessment
